YEAR MFR / DLV	TOTAL TIME	LANDINGS	ENGINE PROGRAM
1994 /95	8,892 HRS	5,562	ESP Gold

OVERVIEW

Learjet 60

Registration LV-CPL, Serial Number 60-044 — a 1994 Learjet 60 in active charter operation, showing 8,892 hours and 5,562 landings.

Both Pratt & Whitney PW305A engines enrolled on Pratt & Whitney ESP Gold, with roughly 400–500 hours remaining to a 6,000-hour TBO. Collins Pro Line 4 avionics with EFIS-850 four-tube display, APS-85 autopilot, dual Universal UNS-1B+ FMS, TCAS-II with Change 7, AlliedSignal KGP-860 Class B TAWS with topographical map and dual TDR-94D Mode S enhanced transponders. ADS-B Out installed and RVSM certified. Executive six-passenger interior completed 2010 with light gray leather seating, six executive chairs, an interchangeable two-place couch and belted lavatory. Forward galley with warming oven plus a forward refreshment center with dual heated liquid containers. Exterior in gray with red and silver stripes, completed 2004.

Engines	2 × PW305A · ESP Gold
Configuration	Executive · 6 Passengers

SPECIFICATIONS

Detail

AIRFRAME

MANUFACTURER	Learjet
MODEL	60
REGISTRATION	LV-CPL
SERIAL NUMBER	60-044
YEAR MFR / DELIVERED	1994 / 1995
PREVIOUS REGISTRATION	N668RC
TOTAL TIME (AFTT)	8,892 h
LANDINGS / CYCLES	5,562
NAUTICAL MILES FLOWN	1,134,056
LIFECYCLE / USE	In Operation · Charter

ENGINES

ENGINE TYPE	2 × Pratt & Whitney PW305A
ENGINE 1 — PCE305208	5,500 h · 2,878 cycles
ENGINE 2 — PCE305209	5,600 h · 2,918 cycles
TBO	6,000 h
ON CONDITION	No
ENGINE PROGRAM	Pratt & Whitney ESP Gold
CERTIFICATIONS	RVSM · 8.33 kHz · FM Immunity
ADS-B	ADS-B Out Installed

UTILIZATION

Activity vs. Model Average

METRIC — LAST 12 MONTHS	LV-CPL	MODEL AVERAGE
Number of Flights	365.00	247.79
Total Flight Time (hrs)	392.88	358.18
Average Flight Time (hrs)	1.08	1.45
Total Distance (NM)	139,550.63	126,533.85
Average Distance (NM)	382.33	510.65
Monthly Average Flights	28.08	19.06
Monthly Average Hours	30.22	27.55

Flying above the model average in both flights and total hours — a consistently utilized charter airframe with shorter average sector lengths.
