TOTAL TIME	SEATS	CRUISE	CEILING
2,275.6	6	175 kt	20,000 ft

OVERVIEW

1979 Piper Turbo Lance II

Registration N3024N, Serial Number 32R-7987099 — a six-seat Piper Turbo Lance II with 2,275.6 hours total time, in excellent condition and maintained to a high standard.

Power comes from a turbocharged 300 hp Lycoming TIO-540-S1AD driving a three-blade propeller. The PA-32RT-300T combines the Lance's retractable gear and large rear cabin door with Piper's T-tail and turbo boost for high-altitude and hot-day performance.

The panel is built around a Garmin GTN 750 touchscreen GPS/NAV/COM, with a PS Engineering PMA8000B audio panel and six-place intercom, KT 175B com/nav, KN 68 ADF, KT 76 transponder, digital CHT and an Altimatic IIIC autopilot. The aircraft is located in Montevideo, Uruguay.
